---

### Career Objective

I am passionate and detail-oriented **Front-End Developer** with hands-on experience in creating secure, scalable, and visually appealing web applications. My goal is to continually enhance my skills, transition into a proficient full-stack developer, and contribute to impact projects in dynamic and collaborative team environments.

---

### Skills

Front-End: HTML | CSS | Tailwind CSS | JavaScript | React.js | Typescript |  
Back-End: Node.js | Express.js | Mongo DB | Firebase  
Tool & Technologies: Firebase | Git | VS Code | Postman | Github | Figma

---

### Projects

1. Face Recognition E-Voting System [@ Live Link](#) | [Client Code](#) | [Server Code](#)
  - Developed a secure e-voting system integrating facial recognition for enhanced voter authentication and fraud prevention.
  - Built the responsive user interface using React.js and Tailwind CSS, ensuring a seamless user experience.
  - Managed database schema for voter information and election data, contributing to system security and scalability.
2. Computer Shop Web App [@ Live Link](#) | [Client Code](#) | [Server Code](#)
  - Created a comprehensive e-commerce platform for a computer shop, handling product Browse and order processing.
  - Implemented robust back-end APIs using Node.js and Express.js and integrated a secure payment gateway.
3. HCI Computing [@ Live Link](#) | [Client Code](#) | [Server Code](#)
  - Designed and developed an intuitive application focusing on Human-Computer Interaction (HCI) principles.
  - Engineered interactive components using React.js and JavaScript, enhancing user engagement.
4. Game Development Project [@ Live Link](#) | [Client Code](#) | [Server Code](#)
  - Impact projects in dynamic and collaborative team environments.
  - Designed and implemented multiple game levels along with intuitive user interfaces.
5. Game Development Project [Live Link](#) | [Client Code](#) | [Server Code](#)
  - Impact projects in dynamic and collaborative team environments.
  - Designed and implemented multiple game levels along with intuitive user interfaces.
